Dear Parent/Guardian:

Sterling High School has a Title I program to support students that have been identified as needing additional help in Language Arts and/or Mathematics. A highly qualified teacher is available to provide supplemental academic tutoring after school at no cost. Your child is eligible for these services.

Supplemental Educational Services (SES) are being offered through the STARS (Supplemental Tutoring and Academic Reinforcement Services) Center located at Sterling High School. The tutor will work collaboratively with the classroom teacher to ensure coordination of services.

Additional information regarding Title I services can be found on the Sterling website (www.sterling.k12.nj.us), under the Curriculum tab. Here you will find the district policy, parent-student compact, entrance and exit criteria, and a registration form for STARS tutoring. Your involvement in your child's education, along with our commitment to the success of all students should ensure a most successful school year.

If you have any questions, don't hesitate to contact my office at the number above.

Sincerely,

Jarod Claybourn
Principal
