The Marine Trades Association of New Jersey

(MTA/NJ)

Deadline: April 1, 2020

Attn: Seniors: the MTA/NJ is a non-profit organization dedicated to advancing, promoting and protecting the recreational marine industry and the waterways in the State of New Jersey.

There are two Educational Scholarships available for the 2020-2021 school year. These scholarships are open to any student interested in pursuing a career in the recreational boating industry and who meets the criteria outlined. The following is an overview of the scholarships:

- **Boating Industry Scholarship:** This is a \$1,500 scholarship for a graduating student who has a strong desire to succeed in a recreational boating industry vocational, technical or college program.
- **Automotive Training Center:** This is a half scholarship (\$9,562.50) for the Marine Service Technology Program at Automotive Training Center in Pennsylvania.

Marine technicians continue to be in a very high demand and there are many full-time year-round job opportunities available. A wide range of challenges and exciting hands-on careers already exist in the boating industry and this could be the perfect path for students in search of something different.

Information about these scholarships, including an overview of the application process, the applications, and recommendations forms are available online at mtanj.org/scholarships. Scholarship application due date is April 1, 2020. If you have any questions about these scholarships or the application process, feel free to email: mdanko@mtanj.org or call (732) 292-1051.

[NAAAP Philadelphia Future Leaders Scholarship Program 2020](#)

Deadline: March 15, 2020

Attn: Asian American Seniors: The National Association of Asian American Professionals – Philadelphia (NAAAP Philadelphia) is a non-profit, 501 (C) (3), all volunteer, Pan-Asian American professional organization that promotes the career advancement and leadership development of Asian American professionals across a wide variety of fields and industries. As part of a national organization, NAAAP is the largest and fastest growing Asian American professional organization in the United States and Canada. This organization strives to cultivate and develop the leaders of tomorrow. They created this scholarship in 2010 to recognize and reward Asian American students in the Philadelphia region who have demonstrated strong leadership potential. As Asian American becomes the fastest-growing ethnic minority group in the U.S., they firmly believe that leadership, drive and the ability to generate positive social impact, will become a critical element for the betterment of our community at large.

So that being said, they are proud to announce the 2020 scholarship program that benefits graduating high school seniors and current college students who are Asian/Asian American. Several high school and college students will be selected within their respective pools to receive \$1,000 in scholarship money, to be used toward tuition, books, and/or living expenses.

If you are interested in applying for this scholarship or if you have any questions, please go to: scholarship@naaapphilly.org.

TIP for the Month

---Always be ready to think outside the box!---

Have you ever thought about working in the field of forensic science? Do things like drug chemistry, crime scene reconstruction, DNA analysis and forensic investigation peak your interest at all? If so, this is your chance to dig in and learn more about this fascinating field. On March 28, 2020 from 8:30 am - 5:00 pm, the Forensic Science Student Organization (FSSO) at Cedar Crest College will hold the 18th Annual Forensic Science Symposium. This event will showcase the reality of working in the field of forensic science. There will be a lineup of speakers that will be discussing interesting cases in these various areas. For high school students and their guest (s), admission is free. This symposium will offer a presentation of their Accredited Forensic Science programs, their Admissions process, a personalized tour of the college's science labs provided by their Forensic Science professors and current students in the Forensic Science program, and a complimentary lunch. If you would like to attend, please register for the event at the following link no later than Monday, March 23, 2020.
